**Subject:** EPA Public Meeting August 19th

Hi Dr. Zehraoui,

As you probably know, EPA is hosting a public meeting at the old Carrie Gosch School on Saturday, August 19<sup>th</sup> at 10 am. The community has expressed to us that they would like representatives from the City to participate especially since the meeting will focus on EC water. They also mentioned to us today that the City has reverted to using the old drinking water plant due to some issues with the micro-filter at the new plant. I suspect that this will be a question on Saturday, and it would be good if someone from the City was able to provide some information on the subject.

I hope to see you Saturday. Let me know if there is anything you need from us prior to the meeting.

Regards,

Jacob Hassan
